

Dear parents and carers

Our Just Giving Page is now live and ready to take donations :)

<https://www.justgiving.com/friendsofgoldfieldschool>

When you follow the link to the page there are two options:

1. **Donate.** This option will let you donate any amount directly to the Just Giving page. Any amount no matter how small will be really gratefully received.
2. **Fundraise.** If you have any ideas that can help raise money such as a small cake sale, a run or bike ride that people might sponsor you or your child to do etc then this is the option to choose. It will let you set up a fundraising page with money raised going directly to our Goldfield Frogs page.

We are working really hard to try to find different ways to fundraise as it is unlikely that events like the quiz and Christmas fair will be able to go ahead for the foreseeable future.

The money that we usually raise is approximately £12000 per year and the school relies on this money to provide crucial equipment upgrades that really make a difference to the children's lives.

In the previous few of years, money raised by parents (via Frogs) has enabled the school to replace the reading books for all years, build the music garden, replace the surface of the reception playground and provide watches for the year two children, amongst other things.

We'd love to hear from anybody who has any ideas for us to try and as always, if you'd like to find out more about joining us, please email on frogsongoldenpond@gmail.com

Thank you so much for your continued support and generosity

The Frogs team.
