

My Money October

Dear Children,

As Goldfield Infants' and Nursery School is taking part in My Money October we would like to encourage you to take part in our Fund raising efforts for the school.

We therefore are giving you a tube of Smarties to enjoy.

In return we would like to ask if once you have finished them you could try and fill your tube with 20 pence pieces by doing small tasks for family and friends (tidying up, setting the table, making your bed etc).

Please seal them up and return to school on the Monday 4th November.

(If they are not full, please do not worry just seal them up and send them back anyway)

All the money raised will go towards the FROGS fundraising efforts.

Can you be a 'Smartie' and fill your Tube!

Many Thanks.

The FROGS Team
