## Top Footballer breaks record with his final first division match!

Another 50 years to celebrate!

Sir Stanley Matthews, a footballer who was often regarded as one of the greatest players of the English game, played his final first division match this year. He is the only player to have been knighted while still playing, as well as being the first winner of both the European Footballer of the Year and the Football Writers' Association Footballer of the Year awards. Matthews' nicknames included "The Wizard of the

Dribble" and "The Magician". A near-vegetarian teetotaler, he kept fit enough to play at the top level until he was **50 years old**. He was also the oldest player ever to play in England's top football division and the oldest player ever to represent the country. He played his final competitive game in 1985, at the age of 70.

## BLP Homework Activity Idea

In the past schools used to keep records of everything that happened each day in a diary - the school's Log Book. Have a look at our Log Books dating back to 1875 in the library.

Keep a diary of your week in any form you would like, there is a sheet attached that could be used for drawing a picture of an event from each day.
