

Remember, Remember!

Our Travelling to School Safety Points!

- ☺ Please travel to school carefully on your scooters or bicycles and wear a cycle helmet.
- ☺ Be considerate of other pedestrians using the footpaths.
- ☺ Dismount your vehicle at the school gates – never ride through the school grounds in case you harm a pedestrian.
- ☺ Please make sure your vehicle is named or has a mark of identification so that you can find it again at the end of the day!
- ☺ Use a padlock to secure it to one of the rails in the shelter (all vehicles are left at the owner's risk!).
- ☺ Leave cycle helmets on the handle bars or give it to an adult to take home (there is not enough room in the classrooms).
- ☺ DRIVERS! Keep an eye out for pedestrians and cyclists when parking with care well away from school gates.

Let's Keep Fit Safely ☺

Happy Cycling!
