

Make my pound grow!

I

have received £1 from Mrs Blake and Mrs Sladden

I promise to return the pound by Friday 31st March. In that time, I hope to make my pound grow.

What could I do to make more money?

I could buy ingredients and make cakes, pizzas etc or make bracelets, book marks or cards.

I could offer a service like cleaning shoes or cars.

I could work with my friends to have a bigger pot to invest.

Whatever the project I decide on, I must make sure that my parents or carers know what I am doing.

They have some great ideas and will be able to support me.

I could keep simple accounts of how much I have made.

I will then return my pound and profit to school.
