

My Money March

Dear Parents,

We have four charities that we may be supporting through our My Money March activities. We would like all our families to be involved in the final selection of the charity. We have four token boxes, one for each charity set up in the school foyer, for you to put your token into (A little bit like many supermarkets do!)

Please come into the school foyer take a token for each member of your family and vote for your preferred charity by placing the token in the charity box.

The four short listed charities are:

DIABETES UK **KNOW DIABETES. FIGHT DIABETES.**

There are currently 4.6 million people in the UK living with diabetes, and 12.3 million more at increased risk of getting Type 2 Diabetes.

Those diagnosed face the risk of life-changing, and life-limiting, complications, unless they are given the best care and the support they need to manage their condition well.

As the UK's leading diabetes charity, our mission is that by bringing people together to work in partnership, we will support those living with diabetes, prevent Type 2 diabetes, make research breakthroughs, and ultimately find a cure.

Diabetes is affecting many families of both staff and pupils at Goldfield.

In aid of

CANCER RESEARCH

Cancer Research UK is a [cancer research](#) and awareness charity in the UK, formed on 4 February 2002. As the world's largest independent cancer research charity it conducts research into the prevention, diagnosis and treatment of the disease.

Research activities are carried out in institutes, universities and hospitals across the UK, both by the charity's own employees and by its grant-funded researchers. It also provides information about cancer and runs campaigns aimed at raising awareness of the disease and influencing public policy.

Cancer Research UK's work is almost entirely funded by the public. It raises money through donations, legacies, community fundraising, events, retail and corporate partnerships. Over 40,000 people are regular volunteers.

**Iain Rennie
Hospice at Home**
Care based around you
Part of Rennie Grove Hospice Care

Rennie Grove Hospice Care is a charity dedicated to providing care and support for patients diagnosed with cancer or other life-limiting illness and their families. They provide care and support for over thousands of patients and families in Herts and Bucks. They provide a unique 24/7 Hospice at Home Service, Family Support services and a range of Day Services at Grove House.

**National
Autistic
Society**

The National Autistic Society was founded in 1962 and are the UK's leading charity for autistic people and their families. Their goal is to help transform lives, change attitudes and create a society that works for autistic people. You'll be helping some of the 700,000 autistic adults and children in the UK.
