

My Money March

Dear Parents,

This month in Nursery we will be planning a series of activities with a focus on money and shopping.

We have started the month by reading a story called 'Just like Jasper' by Mick Inkpen. In this book the reader has to help Jasper spend his birthday money.

Other activities will include

- A shop in the role play area
- Counting with money in maths
- Songs and rhymes about money and shopping
- Making items to sell

During My Money March the children will be busy in Nursery making their pounds grow. We are planning to make play dough and bird feeders that we will sell to the parents in the Nursery 'shop'.

The Nursery shop will be open on **Thursday, 22nd March**. There will be 3 opening times, one for each key worker group.

Koalas -10.45/2.15

Panda's - 11.00/2.30

Polar bears – 11.15/2.45

Each group has a 15 minute slot. This will give every child in Nursery the opportunity to be a shopkeeper. Please come along at your child's group time.

Thank you for your continuing support.
