

Number formation

0 Around and round and round we go
When we get home we have a zero

1 Start at the top and down we run,
that's the way we make a one.

2 Around and back on a railroad track -
Two! Two! Two!

3 Around the tree, around the tree.
That's the way to make a three!

4 Down and over then down some more –
That's the way you make a four!

5 Down and around then a flag on high.
That's the way we make a five

6 Down we go and make a loop.
Number six makes a hoop!

7 Across the sky and down from heaven,
that's the way we make a seven

8 Make an 's' and do not wait...
when it's joined up you have an eight.

9 Make a loop and then a line,
that's the way we make a nine
