

How does it work?

Personal, Social and Emotional Development

Prime Areas

Communication and Language

Physical Development

- **I can play in a group**
 - Provide activities that involve turn-taking and sharing
- **I can follow directions**
 - Play games which involve listening for a signal, such as 'Simon Says', and use 'ready, steady...go!'
- **I can question why things happen and gives explanations. Asks e.g. who, what, when, how.**
 - Read a fiction/non-fiction book with your child. Ask questions such as
 - Why do you think?
 - What is happening?
 - Why is the ...?
 - Encourage your child to ask questions about what they see.

Understanding the World

Specific Areas

Expressive Arts and Design

Literacy

Mathematics

- **I can talk about why things happen and how things work.**
Help your child look for machines at home. Find out what they are and how they work.
- **I can use various construction materials to make a model.**
Collect different boxes. Encourage your child to make an imaginary machine e.g. robot/rocket. Discuss how it works.
- **I can show that I am interested in illustrations and print in books and print in the environment.**
Visit the library to find books about space.
- **I can count up to three or four objects by saying one number name for each item.**
See if your child can help count the screws out during your next DIY job.
