- 21<sup>st</sup> March – 2.15 pm Nursery Open Classrooms
- 22<sup>nd</sup> March – 2.15 pm Year One Open Classrooms

The children are keen to share their classroom with you ~ let's build our learning power together!

This year's focus will be upon .....

## Resilience

Join us and take part alongside your child in a range of activities concentrating upon resilience and the development of a growth mindset 😊

It is not the strongest of the species that survive, nor the most intelligent, but the one most responsive to change.  
Charles Darwin

The children will be sharing their learning with you. We will have an exciting afternoon working together to complete creative activities using all of our learning powers. Please arrive promptly at the start of the session to ensure that you and your child have the opportunity to experience all of the planned activities.

In the Nursery and Reception this will take the form of a regular Open Classroom. Key Stage 1 parents please sign in when you arrive; and then come to the hall for a brief welcome and further information about the afternoon. The children will then come and collect you and take you to their classroom.

There will be opportunities for the children in the Foundation Stage to share their Learning Journals

Roots and Wings

There are two gifts that we can give our children, one is roots, the other is wings...

Nursery and Reception parents please go straight to the Classroom door
