

Dear Parent/Carer,

22.09.2016

## READING BOOKS

Next week your child will bring home a reading book and contact book. To start with your child may bring home a picture book to share with you. Please talk about the pictures and characters and encourage the child to tell you what happens in the story.

When your child brings home a book with words in, the words will correspond to the sounds that they know. Please write a comment in the contact book, or your initials, to show that you have read with your child.

Please leave the reading book and contact book in their book bag every day to enable us to hear your child read.

## Reading for Pleasure

These books will be coming home this Friday. These will only be changed when your child asks us to. You do not need to record anything in the contact book about these stories.
