

Reading Raffle

Dear Parents and Carers,

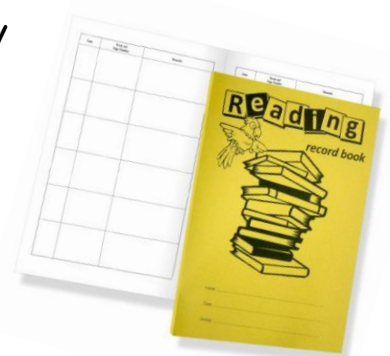

One of our main aims at Goldfield is for children to develop a love for reading. We endeavour to foster this enjoyment in many ways and through a variety of activities. Studies have shown that reading is the key to progress in every area of the curriculum and particularly important in developing spelling skills.

We are delighted to share with you our exciting new Reading Raffle which we will be launching very soon. Help unlock your child's potential by participating in our new initiative...

The Reading Raffle

Children are encouraged to read at home at least three times a week (school reading books as well as children's own books please). Children will put their Reading Contact Book into a box by the classroom door on a Friday morning as they come into school.

When the class teacher can see three (or more) adult signatures in your child's Reading Contact Book at the end of the week, they will be entered into the raffle.

A raffle ticket will be drawn in assembly every Monday and the lucky winner will receive a **brand new book!**

Please remember that children all progress at different rates in their reading and our priority is to encourage the enjoyment of books and reading.
