WE NEED YOUR PLASTIC

BOTTLES!

Over the next few weeks we will be celebrating the beauty of this country's wild plants and flowers (and making a few of our own) through our Chelsea Flower Show topic.

As usual we would like to recycle materials into beautiful flora and fauna.

Our latest house team challenge is to collect as many plastic bottles of all shapes and sizes as possible (large clear and green bottles particularly welcomed). Please could you send in empty, clean bottles and bottle tops which can be placed in the house team bins in the hall. There are plenty of points on offer for the winning team!

Thank you 😊
