Dear Mrs Stevens and School Council.

Thank you for all your lovely letters requesting the return of tomato ketchup with your chips on Fridays.

We have discussed this with our food department and have found healthier ketchup that we can use for you.

Mrs Chan your school cook will order some and you will be able to have it on your chips on Fridays.

Please contact me if you have any other problems I can help with, or any good ideas you would like to try in your school.

**Elaine Brown**  
Acting Area Manager
