

Superhero House Team News!

This term the teams have worked together to care for amaryllis bulbs. It has been fantastic to see the children take a huge interest in the growth of their plant over the last couple of months, we certainly have some future horticulturalists in our midst!

The children have also been bringing in the book reviews following World Book Day which have been of a very high quality and wonderful to read. Thanks to all of the children who took time to complete and return their reviews.
