FLAGS OF THE WORLD

As we all settle back into school, and talk about holidays and news from around the world, it would be great to kick off the new academic year with our 'flag pole challenge'. Each week (from Monday 11.9.17) there will be a different flag flying from our flag pole. We would be grateful if you could help your child to identify the country that each flag represents.

These can be recorded in any order; stickers will be awarded to every child that brings their list of six countries into school to share at the end of this half term.

Thank you
