

Dear Parents,

We are sending home spellings for your children to learn. These will form part of your child's homework and will be differentiated based on the phase that they are working at in Phonics.

Children will take part in an informal spelling quiz each Monday in their Phonics sessions. Children will then be given a new set of spellings to practice each Tuesday for the following week.

Please help your child learn their spellings using the 'Look, Say, Cover, Write, Check' method. There is space on the sheet for children to practice each day and we will also do this in class each week so they are familiar with the words before they are sent home.

Our aim is to support children to learn their spellings in a relaxed, informal way throughout the year. We use spelling quiz as a perseverance and practise exercise and not as a competitive test as our focus is to support individual learning and progress and we very much appreciate your support with this.

Kind Regards,

The Year 1 team.
